Creating a state EITC will benefit

157,303

children throughout West Virginia

Children in EITC households have:

Better birth
outcomes

Higher educational
attainment

More earnings
as adults

7,415 Households helped by
creating a state EITC.

Local Impact from creating a state EITC

Average boost to working
families' incomes

\$332

Annual economic activity
from creating a state EITC

\$2,316,777

Why creating a state EITC works for West Virginia's economy:

- The EITC lets low-and moderate-income working families keep more of their earnings to help pay for things that help them keep working, such as child care and transportation.
- The EITC reduces the number of children living in poverty and improves kids' chances of success as adults.
- By helping low-wage workers keep more of their incomes, the EITC increases consumer spending which then boosts local economies across the state.
